CMD Message

Dear Investors,

With great pleasure, we are introducing our periodic corporate bulletin to reach and connect with you. With your confidence in our organizational capabilities and our growth story, we are steadily moving in the direction of wealth creation for our investors. In the previous quarter, we have bagged few important contracts which is just not helping us in scale but also the diversification. We are receiving consultancy assignments both from the public and private sectors. Our major projects are getting due recognition from clients for faster completion. We are creating tie-up and empanelment with the leading institutions for strengthening our network and credibility.

While we will continue to keep you updated on important corporate level developments, we also look forward to hear from you and receive your valuable feedback and inputs.

Sincerely,

Pradeep Misra
CMD, REPL

ISO Certification

REPL has been further upgraded as an ISO 9001:2015 certified company for Quality Management Systems Standard.
