

SURFACES REPORTER'S

THE TALK OF TOWN

CITY EVENTS ON

ARCHITECTURE | DESIGN | URBAN PLANNING

Surfaces Reporter's The Talk of Town (TToT), the nationwide city events focuses on bringing thought leaders together on a platform and initiate discussions on vital issues around design, architecture and infrastructure. Following the trend, The 12th edition of The Talk of Town was recently organised on **February 29, 2020, at Holiday Inn, Aerocity, Delhi**. The event gained momentum as thought-leaders in architecture, urban planning, real estate, interior design and art discussed significant topics around **High Rises, Sustainable Living and more**.

In the event, while **Ar Manish Gulati** from M:OFA discussed '**How to have an Integrated approach to Design**' as per the user needs, the first panel discussion of the day focused on '**India's views and rising expectations from High Rises**.' The panelists included, **Sangeeta Wij**, MD, SD Engineering Consultants, **Ar Manishi Agarwal**, Partner, Design Cosmos, **Ar Kshitiz Kapoor**, Habitat Design Architects, **Ar Ruchi Mishra**, DGM Architect, Rudrabhishek Enterprises Pvt. Ltd. (REPL) and **Ar Shruti Gupta**, Women Chair ISHRAE Gurugram Chapter and Sustainability Consultant. The session was moderated by **Vertica Dvivedi**.

Presentations by **Mr Ashish Bhasin**, Director, **Marmo Solutions** on '**Stain Proof Technology and Stone Solutions**' and by **Mr Makrand Kendre** from **Renson** on '**Indoor Air Quality Solutions**' helped everyone present there to know about some latest solutions and technologies in the industry.
