

Infrastructure consultancy firm REPL reports 130% growth in revenue

Synopsis

"Despite the testing times, we have been able to register growth mainly due to a very strong order book in our hand and our capability of faster execution of projects by technological applications. Currently we have order of Rs. 360 Crores, which also assures us of a steady revenue stream in coming quarters," said Pradeep Misra, CMD, REPL.

While the total revenue stood at Rs 15.2 crore, the profit margin is 16.9%. Revenue from operations was Rs 6.64 crore in Q1 of last year.

Infrastructure consultancy firm Rudrabhishek Enterprises Limited (REPL) has reported growth in consolidated revenue by 130% in first quarter results, as compared to the revenue for the corresponding quarter in previous financial year.

While the total revenue stood at Rs 15.2 crore, the profit margin is 16.9%. Revenue from operations was Rs 6.64 crore in Q1 of last year.

"Despite the testing times, we have been able to register growth mainly due to a very strong order book in our hand and our capability of faster execution of projects by technological applications. Currently we have order of Rs. 360 Crores,

which also assures us of a steady revenue stream in coming quarters," said Pradeep Misra, CMD, REPL.

"We have successfully applied the learnings from first pandemic wave to manage our business through technology adaptation and enabling the remote handling of assignments," Misra added.

The company has been adding to its orders by acquisition of new consultancy assignments such as 'Vetting of draft GIS based maps in Jammu'; GIS based **Property-Tax Register** in Katni- M.P.; 'Preparation of Master Plan 2041 for Greater Noida'.

Company is also focusing on ICT based consultancy solutions and application of AI based **data analytics** for urban development.

REPL is already working on several ongoing Smart City Projects that include – Varanasi, Indore, Kanpur, Moradabad, Dehradun, Jabalpur and Itanagar. Additionally, it is working on multiple PMAY projects; BIM consultancy for Chennai Metro Rail Phase II; GIS based Master Plan for 5 Towns in U.P.; OBPAS (Online Building Plan Approval Systems) in U.P.; and similar other projects in Infrastructure and Urban Development.
