

Company appointed to oversee drainage scheme

MADURAI

Madurai Smart City Limited (MSCL) has appointed Delhi-based infrastructure consultancy company Rudrabhishek Enterprises as the project management consultants for monitoring and supervising the underground sewerage scheme, the Madurai Corporation project for North of Vaigai River (Phase II). MSCL is engaged in developing lakes restoration and rejuvenation-cum-green non-motorised transport corridor project in Madurai. It has engaged the company to monitor the sanitation project implementation, said a press statement.
